ISSUE TWENTY

Parting words from our President

A great time was had by all at the recent solar eclipse rally! I'm trying to put together a drone slideshow with the video and photos I took. It might be a while since I'm a little challenged in that expertise. The next event is the "Lake weekend Rally" on 15 Sept., hope to see a lot of you there. Then, unit officer elections are just around the corner at Alumalina in Oct. Unfortunately, I will not be able to attend the rally due to training on a new airplane at Delta. Maybe if the timing is right and I'm out of the simulator I'll be able call in and say a few words via speaker phone put up to the microphone! Matt and Beth have the unit Presidential staff and will be presenting it to our next President for me. Thanks to all of you for allowing me to be you're President this last year and especially those who hosted rally's along with the hard work of Nancy, Bill, Roy, Beth and Matt....and as always, "see you down the road"

Ed along with "Delta Queen" Bonnie
