May 2016

ISSUE FIFTEEN

Enjoy the Ride

## Hello from Joe Conoly President Southeastern Camping Unit

Annette and I trust all of you are having a safe, healthy Spring and are out camping more than we have this year. So far we have only been out 23 nights, which is down somewhat from the previous years.

As I write this, we are attempting to catch up as we are in our trailer at the Kentucky Derby Rally at Stone Mountain Campground outside of Atlanta. Seven rigs have arrived and 2 more are on their way. Many thanks to Bill and Robin for hosting this their second rally in 2016. Seven of us rode our bikes to the trail that leads to the hike up the mountain. We all made it to the top and rode back to the campground with a lot of huffing and puffing. Annette and I had our folding clown bikes, which just are not made for the hills.

We are looking forward to hosting the 3rd annual Hiking, Tasting and Paddling rally at Highland Haven over Memorial Day weekend and will then join Matt and Beth's caravan to the International in late June. That will add a few more nights out for us!

The unit has a couple of business items that need to be addressed. First is the International Delegates meeting in West Virginia. Officers will be elected and two amendments to the WBCCI constitution have been proposed by the IBT. Both of these amendments are minor changes. At present, I am for the amendments and will vote for them. The nominating committee has presented a slate to fill the all positions and I support these as well. Both the nominations and amendments can be found in the latest Blue Beret and I encourage you to take a look. If anyone has questions or comments I would be happy to talk to you. Just give me a call or send an e-mail.

As per our constitution, I have formed a nominating committee for our unit elections, which will be held at the **Fall Alumalina rally at Palmetto Cove on October 29**. Roy Beavers, Craig Stephens and I will be on the committee. We would like anyone who may be interested in serving the unit in one of the two open positions to please get in touch with us.

Hope you all have an awesome summer and get out and camp!

Happy Trails,  
Joe Conoly

Joe and Annette

## Airstreaming Southeastern Style

Our unit has been busy this Spring with Springstream, Alumilina Spring Edition, Region 3 rally, and the Derby Rally. Every rally has been well represented by many of our current 78 regular members and 43 affiliate members. Did you know we are the third largest unit in Region 3 after only three years from startup? Our treasury stands at \$486.79. We're having fun, enjoying the company of friends we have made over the years, and delighting in the new friends we are making. As you look at our upcoming rallies, you may notice we have at least one activity planned for every month between now and the end of the year (except August, although technically some folks may arrive at the Streamshine Rally on Aug. 31st). Here are some scenes from a few rallies this Spring that you may or may not have missed.
